GENERAL INSTRUCTIONS AND REQUIREMENTS

- Home(s) must show positive kWh savings, include whole-home pre-wire, include smart thermostats and ENERGY STAR appliances.
- Funds are limited and will be reserved on a first-come, first-served basis to projects that meet the program requirements. No payments will be made for any energy-efficient upgrades installed without prior written approval.
- Review the Roseville Advanced Homes Program (RAHP) requirements and terms & conditions as listed in the program manual.
- Complete one form per project and list ALL plans/building types. Incentive payments are available only to owners, builders, or developers named on the application. Roseville Electric Utility (REU) will enroll all qualifying plans and pay incentives on individually eligible lots.
- No projects will be accepted after drywall has been installed in enrolled units without prior approval from REU.

APPLICANT AGREEMENT

I, the undersigned, agree that:

- I have read and understand and agree to abide to the program rules, requirements, and terms and conditions set forth in this Agreement.
- The information that I have supplied on this Agreement is true, correct, and complete.
- This project is not receiving duplicate funding from multiple utility sponsored energy efficiency programs for the same measures and associated fuels.
- I agree to permit REU to discuss all aspects of this project with my energy consultant and/or HERS rater.
- I understand that this agreement is valid for 36 months from date of acceptance.
