*Applicable to new construction projects only

APPLICANT AGREEMENT

I, the undersigned, agree that:

- Home(s) must meet Title 24 2022 code.
- Funds are limited and will be reserved on a first-come, first-served basis to projects that meet the program requirements. No payments will be made for any energy-efficient upgrades installed without prior written approval.
- I agree that I have reviewed the Roseville Advanced Homes Program (RAHP) requirements and terms & conditions as listed in the program manual.
- I have completed one form per project and list ALL plans/building types. Incentive payments are available only to owners, builders, energy consultants, HERS raters or developers named on the application. Roseville Electric Utility (REU) will enroll all qualifying plans and pay incentives on individually eligible lots.
- No projects will be accepted after drywall has been installed in enrolled units without prior approval from REU.
- I have read and understand and agree to abide by the program rules, requirements, and terms and conditions set forth in this Agreement.
- The information that I have supplied on this Agreement is true, correct, and complete.
- This project is not receiving duplicate funding from multiple utility sponsored energy efficiency programs for the same measures and associated fuels.
- I agree to permit REU to discuss all aspects of this project with my energy consultant and/or HERS rater.
- I understand that this agreement is valid for 36 months from date of acceptance.

I am a HERS Rater/ Energy Consultant (check one) submitting the program application on behalf of the builder.

I understand checking this box constitutes a legal signature confirming my acknowledgment and agreement to the above terms. Please submit your completed application and supporting documents to RNC@trccompanies.com

PROJECT SUBMITTAL PACKAGE CHECKLIST

A complete Project Submittal Package for **new construction projects** must include:

1. A completed Roseville Advanced Homes Program Application (Agreement) postmarked or received no later than June, 30th 2025, or sooner if funds are expended or fully committed. Complete one application per project and list all plans/models and building types.
2. A complete set of construction plans that contain the following:
 - Architectural, Electrical, Mechanical, and Plumbing (as applicable or available)
 - A window and door schedule showing sizes and including all skylights (if not shown on the floor plan)
 - Elevation, wall, roof, floor construction assemblies
 - Floor finish schedule (if CF-1R shows High Mass Design)
 - Plans must be submitted electronically as a PDF file
 - Plan Size Must Be Full or Half Size
3. A List of Lots and Addresses
4. A site plan with a North arrow
5. Title 24 Forms and File, including:
 - PDF copy of the Certificate of Compliance Form (CF-1R) signed by a Certified Energy Analyst (CEA)
 - Electronic input files that generated the signed Certificate of Compliance Form (preferably via e-mail). This file will have file extension “.bld” for EnergyPro or “.RIBD” for CBECC-Res, “.CIBD” for CBECC-Com. Please note - only plans on the application should be submitted and uploaded
6. HERS Registry Sharing by your HERS Rater:
 - For CalCERTS:
 - Please share the project with “TRC Energy Services” in the registry
 - If we do not appear in your list of Energy Consultants, you may need to add us
 - If you or your rater need registry sharing instructions, please contact TRC immediately at rnc@trcsolutions.com and we will provide detailed instructions.
 - For CHEERS:
 - Please add “TRC Solutions” to the project member team
 - If the project is a custom home, let us know who is listed as the “builder”
7. Submit a W-9 Form:
 - Please submit a W-9 Form for the Tax ID or Social Security Number listed on your application
 - This should be completed by the payee
 - Out-of-state payees must submit a CA587 or CA590 form

A complete Project Submittal Package for an **alteration project** must include:

1. A completed Roseville Advanced Homes Program Application (Agreement) postmarked or received no later than June 2025, or sooner if funds are expended or fully committed. Complete one application per project.
2. Photos of equipment existing conditions; must also include clear and legible photos of existing equipment nameplates.
3. Equipment and materials documentation or cut sheets
 - Photo of existing appliances (should be panned out to see the entire appliance)
 - Photo of existing appliances data plates clearly showing brand and model number
 - Space heating equipment – specification sheet with manufacturer’s name/model number and efficiency rating for each unit.
 - Air conditioner – specification sheet with manufacturer’s name/model numbers for condenser/coil match or AHRI reference number for each proposed unit (www.ahridirectory.org).
 - Water heater – specification sheet with manufacturer’s name/model number and efficiency rating. If installing a solar water heater, a CF-SR is required.
 - Induction stove - specification sheet with manufacturer’s name/model numbers
 - Smart thermostat - specification sheet with manufacturer’s name/model numbers
4. Copy of Roseville Electric Utility bill
5. Applicant/payee W-9 form that corresponds with the Tax ID/SSN listed on the application
